British Army Has New Machine Gun

British soldiers receive instructions in the use of a Besa machine gun, a new weapon for the British Army. Made in two calibres of 7.92 mm and 15 mm, it is equally effective against ground and air attack, it can be fired from the ground or a moving vehicle. From the 7.92 model approximately 3000 rounds can be fired in 30 minutes. Special factories have been built in Britain for its manufacture.

GENERAL NEWS

Mr and Mrs Andrew Diemert have received a letter from Eric Diemert who is now somewhere in England. Eric states that everything is well with him and that he likes his work.

He cited many amusing and exciting incidents one of which was when a Nazi Bomber dropped a bomber on their cook shack and the boys were picking them stew off the walls of the surrounding huts. The boys got rather sore and soon afterwards the Nazi plane was a pillar of fire.

A future date to keep in mind is Tuesday, February 10th when the ladies of community are planning a Pancake day in aid of the Red Cross.

Pancake day is a national day in most of the old countries and the local ladies are hoping that other towns will take up the banner and follow suit in aid of the Red Cross.

The Red Cross drive in Champion went over with a bang this year, over a carload of wheat has been collected by different public spirited men in the district.

The proceeds from one car of wheat netted the local organization \$460 and they still have another half car to be sold with more coming in each day.

The cash contributors have reached the \$300 mark and here is still more to come.

Those collecting wheat were Ed Griffin, W. Ellis, S. Faith, J. Hagerman, H. Matlock, Mrs. G. Dow and Mrs. M. Sisson.

Those collecting cash were:

O. Rhodes, G. Campbell, Doug Henderson, Mrs. A. Butler and Mrs. F. Clever.

Mrs. Roberts, 75 years of age, of Los Angeles, made and don a quilt to this branch of the Red Cross. We can all learn our lesson from this lady. It is just the spirit of this kind that has made Great Britain, Great.

On Thursday the marriage took place in Lethbridge of Miss Myrtle McLeod daughter of Mr and Mrs W. A. McLeod and David Hofer of Raby. The young couple will reside in Carmangay. A dinner was held at the home of the bride's parents on Sunday, 39 guests were present.

- Editorial - Shield of Faith

Recently we listened to a minister make an earnest plea for the placing of God in the centre of our life, both as individuals, business concerns and nation. Failure to do this, had led us into the present conflict. Then on Monday we found on our desk the address of Premier King before the House of Commons, dealing with the same issue as it applies to the war effort of Canadians.

We believe that the Prime Minister are worthy of special emphasis and ask our readers, of all religious faiths or political creeds to consider the appeal, made not by a minister of any one church but by the chief executive of our fair Dominion.

Here is a report of the speech as supplied by the Director of Public Information.

"What is necessary then to win the present conflict? It is to put on the whole armor of God, not the outward material trappings only, the helmet, the sword and the shield, necessary as they may be for the purposes of defence and of attack. Let it never be forgotten that 'we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places' Let us make sure that the helmet is also one of salvation; the sword, one of the spirit; and the shield, one of faith; that our loins are girt about with truth and that our breastplate is one of righteousness, and that our feet are shod with the preparation of the gospel of peace. If these things are ours, and I believe they are the weapons with which Britain and the dominions seek to slay the dragon of Nazi Germany today, we shall find little difficulty in reconciling our war aims and our peace aims.

It wasn't hard to find;
And everywhere that Mary goes
The swing is just behind.

Patient: Notin do'in Doc I had
an uncle drown that way at
Sing Sing.

First co-ed: How are you getting
along in Botany.
Second co-ed. Fine. I got the
professor up a tree.

Mistress: For the past week,
Jane, I've seen the milkman
kiss you morning and afternoon.
I suppose the butcher's boy
does the same?

Maid: Oh, no, mum! He only
calls once a day.

The conductor looked at the
five cent fare for the boy and
the dime for the mother. 'Don't
you think,' said he, 'the boy is
pretty big for half fare. Why
he has long pants on' 'Ok,'
said the mother, 'take the dime
for him and the nickel for me.'

'Daddy, do they raise political
plums from seeds?
'No, son. Political plums are
more often the result of a bit
of clever grafting'

once because he lost his bearings.

Well, at least he was original.
